

Service Navigator

*Third Sector Interface
(Perth & Kinross)*

[Click here to explore.](#)

This Navigator provides an accessible and reliable guide to the services and activities of local charities, social enterprises and community groups. It is here to enable collaboration, mutual support and enhanced collective knowledge.

How to use the Service Navigator

When you click the link above, you'll see a bird's-eye view of the breadth of services in Perth and Kinross.

1. Using the sidebar, you can filter for particular types of services with the 'Categories' box. Untick 'Toggle all', and tick the category you would like to see on the map.

2. You can use the symbols on the left to zoom in and out of the map, or search by region, town, or postcode to find services in a specific area.

3. Click an icon on the map to find out more about the service. A description will open in the sidebar that includes the organisation's name and relevant details.

4. For an overview of services, scroll down the sidebar to the 'Contributions' box. Here, you will find a list of all the services that are included on the map.

5. In the 'Contributions' box, you can also search for a particular service. Just type a keyword into the 'Find Contributions' box, and you will find a list of contributions that include your keyword in their description.

Example keywords: 'music' for a musical charity, or a specific postal district like 'PH1'

Tip!

The map is collaborative, which means anyone who runs a service can add it to the map.

Because of this, services on the map are listed as 'Contributions'.

Thank you for using our Service Navigator! We hope it contributes to your understanding of the services provided within Perth and Kinross's third sector.
