# Perth & Kinross Employability Project

Lead Scotland provides a personalised, non-judgemental employability support service for adult residents 16+ in Perth & Kinross. The service supports individuals who need help preparing for employment, finding a job or staying in work.

This free and confidential service, delivered in the community or at home, includes informal and formal learning opportunities that can lead to SCQF accreditation.

# How we can help you:

Emotional  
Intelligence

CV/Interview  
Preparation

Travel Training

Literacy  
Numeracy

Job search  
help

---

Alongside personalised one-to-one support, we offer group sessions to build confidence, key skills and wellbeing - boosting self-esteem, resilience, and a positive mindset.

Our service can provide training in cyber security, supporting individuals to navigate the digital world confidently. We also help develop core skills such as literacy and numeracy, and offer practical travel training to promote independence and access to work or learning.

What's more, we provide hands-on help with CVs, cover letters and job applications, empowering individuals to present their strengths and succeed in the world of work.
